## Certificate of participation

This certificate of participation has been granted to

**Mrs. Svitlana Voropaieva,**

PhD of Engineering Sciences, Assistant at the Computer Systems and Networks  
Department of Yuriy Fedkovych Chernivtsi National University (Ukraine).

Ms. Voropaieva took part in a staff mobility at the Department of Architecture and Civil  
Engineering at Technische Hochschule Lübeck (Germany) from 04.03.2020 until  
30.04.2020. The program of the staff mobility included

- Studying the hardware and software for creating three-dimensional models,
- Collection and processing of information about working with a 3D scanner,
- Learning new image processing software,
- Work in graphic editors and graphic software, methods of digital signal and image processing,
- Software for creating virtual reality, processing of 3D models in computer aided design (CAD) systems.

The staff mobility period from 09.03.2020 until 20.03.2020 was funded in the Erasmus+ program.
